

Elly Bauman
Executive Director

During the month of June, I will celebrate my 4-year anniversary at Park Plaza. Anniversaries always have a way of making people take stock in where they have been and what they hope to accomplish before the next one.

Many things have changed and been accomplished since I began four years ago. The ultimate achievement was how well Park Plaza made it through the pandemic. This was definitely a joint effort among all the staff, residents, and family members. We now looking towards a day when mask wearing will be a thing of the past. Looking ahead, there is much on the horizon: we are beginning to renovate the apartment kitchens, converting two first floor apartments into an activity room, and reconfiguring the furniture on the outside front patio. Stay tuned... and always feel free to reach out with questions or comments anytime.

In Memoriam

Harold Katz

Rabbi Pinchas Stopler

Bruce came to Park Plaza nine months ago from Arizona. Both of his sisters live in the area, and he wanted to be closer to family. Bruce was ready to move to a community and meet new people, he now really enjoys communal living.

Being one of the younger residents doesn't faze him one bit. Bruce takes advantage of the freedom to come and go as he pleases as well as all the amenities Park Plaza offers. Going to the Broadway shows is Bruce's favorite about Park Plaza.

Traveling downtown, not having to pay for parking and the great price of the tickets makes the outing that much sweeter. Bruce says that he has developed a great rapport with everyone who goes on the theater outings, "It's a really nice group and we all get along nicely".

Bruce grew up in the Budlong Woods area of Chicago. He attended Macro Kodesh Anshe Tikva for Hebrew school and has wonderful memories of that time. Bruce's older sister lives in Skokie, and his younger sister Elaine lives in Vernon Hills; his two sons live in California and Nevada.

Bruce attended Loyola University and became an accountant, he retired only two years ago.

Bruce is a wonderful listener and a good friend. His health and family matter the most to him, as is evident in his reasons for moving back to Chicago.

June is here and summer is fast approaching. Flowers are in bloom and the world feels alive. The holiday of Shavuos is also upon us. Shavuos recalls the giving of the Torah at Mount Sinai.

Miraculously, at that time, the bare mountain erupted in bloom just like the flowers we see around us. Just as the world comes to life at this time of year so did it come to life in the greatest possible way with the giving of the Torah. This life is symbolized by the flowering of the mountain. The Torah is the eternal Jewish heritage and gift to the World. It is a Jew's life and length of days, and its wisdom is the water that nourishes the Jewish soul. As we look forward to Shavuos and the rest of June, let's find time to connect with the Torah and thereby connect with Hashem. There are many opportunities during the week for Torah learning at Park Plaza. Look through the schedule and join us for a class. Just as those flowers blossomed may your soul blossom as you connect with the Torah.

Happy June and Chag Sameach
